EDISON AND FORD ENLIST TOGETHER TO AID WILSON.

Both Republicans, Who Say Fate
of America is in Trust-
worthy Hands

New York—Thomas A. Edison and Henry Ford, arm in arm, walked into the office of Chairman Vance C. McCormick at Democratic national headquarters today. They wanted to find out how they could best direct their efforts to insure Wilson's reelection. Mr. McCormick has invited them to do so, and they took him at his word. The two went to luncheon with the chairman and Secretary of the Navy Daniels, and conferred, particularly with regard to methods of reaching the independent voters of the country.

"Give the people the facts," declared Mr. Edison, "and it will be a landslide. No President ever faced such problems, no president ever made such records of achievements. It is not alone that Woodrow Wilson has statesmanship, he has leadership, too. I have always been a republican, but I put my country above party. In a world crisis, with the fate of America in the balance, I would take shame to myself if I did not put myself behind a man who has given us peace with honor, prosperity with justice and preparedness without militarism."

Mr. Ford was no less emphatic. "Like Mr. Edison," he said, "I am a republican, but I cannot stay with a party that puts office seeking first and America last. President Wilson has saved the United States from the horrors and desolation of International war. He has saved us from industrial wreck. His domestic policies have given new strength to legitimate enterprises, protected the worker, emancipated the children and destroyed evils that were sapping the courage of America. He is a great President. More than that, he is the greatest American."

"Never were issues so plain. Woodrow Wilson stands for

TRAGIC DEATH OF YOUNG MAN

Wm. Walter Asher, Age Twenty-
Three, Killed in Auto Acci-
dent in Atlanta, Ga.

Marion was genuinely grieved Monday when a telegram was received by Judge Asher from his son Curtis from Atlanta, Ga., conveying the shocking intelligence that Willie Asher Judge Asher's son had been so seriously hurt in an automobile accident Sunday that he died next day. The remains were brought here arriving on the 3 o'clock train Tuesday afternoon and were met by a large gathering of the friends of the young man. The funeral was preached at the residence and the interment was in the new cemetery in the Asher lot.

The floral offerings were beautiful and abundant attesting the esteem in which young Asher was held. He was born April 19th, 1894 at Shady Grove in this County and was there fore in his 23 year. He was a fine young man and professed faith at a revival at the Baptist church a few years ago. He attended the Baptist Sunday school and church when he lived here, only a short time ago he went to join his brother Curtis who is in business in Atlanta, Ga., and it was there he met his tragic death, in an automobile accident.

He never regained consciousness after the accident and lived only a few hours. The aged father, sisters and brothers have the sympathy of all in their bereavement.

an undivided allegiance, for equal justice and for the welfare of the many. Against him are all the forces of rapacity, special privilege, eager to get back their loaded dice, the exploiters of children and greedy concessionaires. It is their millions against Americanism."

Protracted Meeting at Lola.

The protracted meeting held at Lola at the Union church by the Missionary Baptist under the care of the pastor, Rev. Hosea Paris, closed Wednesday morning with six professions and five additions and four baptisms. There was a great spiritual revival. Rev. J. B. Trotter did

the most of the preaching and Rev. George Gass conducted the song service.

This meeting was largely attended, as the weather was excellent and was greatly enjoyed by all.

U. S. SENA- TOR BECKHAM

Greeted By A Large And Interest-
ed Audience At The Op-
era House.

Senator J. C. W. Beckham, firing the first big Democratic gun of the present campaign held the attention of a big crowd here Thursday in the Marion opera house, for two hours, dwelling upon the achievements of the Democratic administration under President Wilson. Senator Beckham arrived at noon from Princeton where he spoke Wednesday. He was introduced by Judge C. S. Nunn in a few well chosen words.

Senator Beckham, in his characteristic way, dealt with the issues one by one; considering them all slowly and carefully. He moved gradually into the interest of his address, handling problems with a grip that impressed his hearers.

Senator Beckham made one of

the best arguments ever heard here and his audience was a representative one composed of our best citizenship among all parties. He was complimented on his speech at its close.
